Tesoro High School Choral Music
"Buy-a-Key" Program

As many of you know, the music department at Tesoro has gained regional and national acclaim over the past several years. Since the school opened in 2001, the music department has received numerous superior ratings at festivals, 1st place in many statewide competitions, and last year was awarded the prestigious "Grammy Signature Schools" award granted by the Grammy Foundation to the top 100 music high schools in the United States.

Due to budgetary restrictions that existed when the school opened and still exist today, the performing arts department has never enjoyed a quality piano for its theater. The time has come to purchase a new piano for the theater to add even more quality to the fine performances given by the students of Tesoro High School. Due to the generosity of Yamaha Pianos and Keyboard Concepts, Tesoro High School was given an outstanding discount on a brand new 6'7" Yamaha C5 grand piano. This opportunity simply cannot be passed up. We have three months before this bid expires, and we are asking for all the support we can get to help the cause of our music department.

Our primary fundraiser for this event is called "Buy-a-Key." By sponsoring the purchase of one or more of the 88 keys on the piano, individuals and corporate sponsors will be able to further the music education of Tesoro High School students and improve the quality of the arts in South Orange County. Donors will receive two free admissions to all of our concerts for this year and will be recognized on a plaque to be hung on the choir room wall for years to come. Each donation (made payable to Tesoro High School) is tax-deductible.
